

Allergy & Asthma Clinic

Dear Woodcreek Patient,

Welcome to Woodcreek Healthcare's Allergy & Asthma Clinic. In preparation for your appointment, we encourage you to call your insurance company to verify reimbursement rates, deductibles and co pays that may apply to allergy testing procedures and immunotherapy (allergy shots). The following is a list of charges, which may be incurred during your visits. Prices effective 04-01-08 & are subject to change.

Office visit:

Procedure code: 99214 (detailed visit); Charge: \$152.00

Procedure code: 99215(comprehensive visit); Charge: \$206.00

Skin Testing Procedure:

Procedure code: 95024; Charge \$11.00 per dose (minimum of 16 test up to a maximum of 30 tests per visit)

Spirometry

Procedure code: 94060 Spirometry with Bronchodilator; Charge \$95.00

Laboratory:

Occasionally a blood test called an "ImmunoCap" (procedure code 86003) will be ordered in addition to the skin testing or it may be the only allergy testing ordered. These labs are done by an outside source: *Quest Diagnostics*. If you have any questions concerning ImmunoCap testing charges, please call *Quest Diagnostics* at 253-848-0798.

Immunotherapy Injections:

Procedure Code: 95115 (single injection); Charge \$25.00

Procedure Code: 95117 (multiple injections); Charge \$29.00

Serum Mixing:

Procedure Code: 95165 (Allergy Serum); Charge \$18.00 per dose. Typically 1-2 vials of serum are mixed every 6-8 weeks per patient, each vial contains 8-12 doses.

Please feel free to call the Allergy & Asthma Clinic if you have any questions, and we will be happy to assist you.

Thank you,

Woodcreek Healthcare
