Dear Woodcreek Convenience Care Patient:

It has been a privilege to provide convenience care for children and adults in our community for the past 20 years. Woodcreek Pediatrics affiliated with Mary Bridge Children's in 2018, and we continue our commitment to serve the growing needs of our communities and pediatric population.

Beginning Monday, August 1, 2022, Woodcreek's Convenience Care clinics will become part of the Mary Bridge Children's urgent care network. Our two Woodcreek Convenience Care sites will be renamed Mary Bridge Children's Urgent Care – Puyallup and Mary Bridge Children's Urgent Care – Sunrise, and will provide care exclusively for infants, children, adolescents, and young adults. You can visit [marybridge.org/urgentcare](http://marybridge.org/urgentcare) to learn more about Mary Bridge Children's urgent care services.

With this transition to a focus on pediatrics, **we will no longer be offering care to patients over the age of 20.**

We are excited about this new focus on pediatric urgent care services but understand you may have concerns about how your future urgent care needs will be met. Please rest assured, you have immediate access to our exceptional urgent care partners at **MultiCare Indigo Health**. Indigo Health's urgent care teams are dedicated to providing an exceptional patient experience, with convenient urgent care locations across the Puget Sound including Bonney Lake, Puyallup, Frederickson, and many others. Please visit [indigohealth.com/urgent-care/](http://indigohealth.com/urgent-care/) to find a location near you, including convenient online scheduling.

If you have any questions, please visit our website at [woodcreekpediatrics.com](http://woodcreekpediatrics.com), or give us a call at **253-858-8797**. Thank you for trusting Woodcreek with your past care and know that MultiCare Indigo Urgent Care is here for you now.

Sincerely,

Christine Bozich, MD
